Overview

The International Conference on Informatics in Economy is one of the first scientific events on this subject in Romania and during the last years has gained an international scientific recognition. At national level, it remains one of the most important scientific events that gather the entire Romanian Economic Informatics community. The goal of this conference is to bring international authors together with local authors in important fields. The IE 2021 Conference will be held online, between 14-15 May, 2021.

Topics of the conference

The Organizing Committee encourages submissions of papers in the following topic areas:

- Cloud, Distributed and Parallel Computing
- IoT, Mobile-Embedded Multimedia Solutions
- E-Society, Enterprise and Business Solutions
- Databases and Big Data
- Audit and Project Management
- Artificial Intelligence, Data mining and Machine Learning
- Quantitative Economics

Submissions

Papers should have a length of 8-12 pages. The paper shall include an introduction on the current research in the papers field, original solutions, experimental results analysis, conclusions and references. It is allowed only one paper per author. The paper template is available on the conference site.

Publishing

All accepted and presented papers of the conference will be published in Proceedings of the 20th International Conference on Informatics in Economy (IE 2021), Education, Research & Business Technologies (ISSN: 2247 – 1480). In addition to Conference Proceedings, the authors of the conference papers will be invited to publish an extended format in thematic issues from several distinguished international, refereed journals in their respective topics:

- [Economic Computation and Economic Cybernetics Studies and Research](#)
- [Informatica Economică](#)
- [Economy Informatics](#)
- [Database System Journal](#)

Conference proceedings will be submitted for indexation to Web of Science, SCOPUS, Google Scholar, RePEC.

This conference proceedings will be sent for review to Springer and the accepted papers will be published in a separate conference proceedings by Springer.
